OCTOBER 2024

WINNERS

Hi **[UD:FIRST_NAME]]**,

In the words of Queen "Another One Bites The Dust".

This week marked the fourth draw in the 2024-25 TEC, and while only six tickets will be winners, your commitment to buying tickets has helped Albury North Rotary Club to further its commitment to fund valuable mental health initiatives locally. These include Mental Health First Aid Resilience courses, scholarships for psychology students training as psychiatrists, and support programs for families and children in crisis, such as Country Hope and Carevan. Every month, there's that chance to win while every month someone wins from your generosity 🙌

Finally...Here's a little of what's been happening in ROTARY during this last month!

Table Top Mountain Charity Walk on Sunday 17th November hosted by RCAN
[Check this Facebook link for all the details](#)

Albury Wodonga Regional Cancer Centre Trust Fund Inc.

This month has seen further preparations for the charity walk being held on November 17th. 1.3 tonnes of stones and a steel mesh frame was transported to the Mountain summit by helicopter for the cairn to be constructed to commemorate the bicentenary of Hume and Hovell.

Participants in the walk will help build the cairn by placing stones in the frame. The construction is funded by a Rotary grant and a donation from Hume Bank, with additional sponsorship sought from businesses associated with Hume or Hovell.

The Henty Field Days were held in September and this year a group of members from all the local Rotary Clubs took time to attend and talk to Henty Field Day patrons about Rotary projects such as [Youth Exchange](#), [Say No to Domestic Violence](#), [Men's Health Education Rural Van \(MHERV\)](#) and much more.

(Click on the links attached to the above projects to find out more)

Above is RCAN's longest serving Rotarian, Peter Drummond taking some time out at Henty and on the left are members from Holbrook, Belvoir Wodonga, and Albury North Rotary Clubs

From left is Kerry Morton (HRC), Ron Koller(RCAN) Marg Crisp(BWRC) Kevin Scanlon (RCAN) and Graham Sayer (BWRC)

The great thing about being a member of Rotary is having the opportunity to listen to highly interesting and diverse speakers who attend our Club meetings throughout the year.

This past month one of our guests was Kylie King, our current Mayor talking about her media career. She was a sports reporter for Channel 7 and Channel 10 and reported extensively over the years on the Supercars. She is a local radio breakfast co-host and runs a communication business.

Well that's it folks until next month.

For those who have tickets in TEC 2024-2025, keep a look out for your Pre-Draw newsletter early November, which is sent to remind you of the draw date and get you excited!! 🎉 😊

You never know..it might be YOU cracking out the champagne next month 🍾 I hope so!

Cheers
