HILLTOP ACCOMMODATION update

One of our dinner guests this past month was Alice Glachan. As Manager of Albury Wodonga Hilltop Carer Accommodation Centre, Alice updated us on the plans for Stage 3, which would add 10 more rooms to give a total of 40. She also highlighted the role of the volunteers who are an integral part of the successful operation of Hilltop. RCAN have been involved in this project since its inception with funding and board support. Check this [LINK](#)

Run by the Fight Cancer Foundation, this facility services patients and carers from a wide regional area across NSW and Victoria

The latest **Mental Health First Aid Resilience short course** was held on Saturday 31st August with a full house of 27 attending. Most have expressed a very positive outcome and feel it has helped them become more aware of the how to maintain their own mental resilience with access to support services when or if needed. There will be another course held early next year and will be advertised on this platform once dates and venue have been confirmed. Keep a watch out on our Travel Escape Club website and in this newsletter in the coming months. The course is funded free to volunteers in our community through funds raised by the Travel Escape Club fundraiser

That's it folks until next month.
