This year we have expanded our Aged Care Gift Giving project to 5 local Nursing homes. The project is about giving a gift and spending some quality time with our local nursing home residents who are on their own especially at Christmas. The amount of local aged care residents that don't get a visitor during Christmas has unfortunately exceeded our expectations. We're excited...presents are wrapped and ready to go and we are looking forward to putting some smiles on peoples faces!

If you would like to be involved in this, or any of our great projects, please reach out to us as we would love to hear from you. Our Secretary Jozette is available on ph: 0493 245 361

All 13 Rotary Clubs in the Albury-Wodonga region have joined together for the first time in a national campaign to "Say NO to Domestic Violence". This is a global campaign run by [UN Women](#) against Gender-Based Violence and is held every year from 25th November (the International Day for the Elimination of Violence Against Women) to 10th December (Human Rights Day). On December 9th, local Rotarians led a walk from the west end of Dean Street culminating at QE11 Square with a BBQ. Watch out for posters in local businesses and for more events in the future to raise awareness of domestic violence.
